

## Correction announcement for printed versions of '2018 Parts Catalogue Winter'.

The John Deere Planter Retrofit Kits included on page 10 are not yet available to order in Australia or New Zealand. Accordingly this section has been removed from the digital catalogue and the corrected version can be viewed on our website at: [Deere.com.au/en/finance/catalogues](https://www.Deere.com.au/en/finance/catalogues). Refer to the images below for details, or speak to your participating John Deere dealer for more information.
